

## 'Blancanieves', the big winner of the Goya awards

Maribel Verdú and José Sacristán won the best actress and actor awards, respectively, during a triumphant night for the silent film that took home ten of the eighteen awards for which it was nominated

Among the most highly-acclaimed presenters were **Miguel Ángel Muñoz** and **Paula Echevarría**, two of the most attractive actors of the ceremony, who awarded Pablo Berger's silent film with 2 statues, for best art direction and best costume design.
